

Ordering a vaccination certificate for persons younger than 18 years old

Follow these steps to complete your order. By signing, you consent as your child's guardian to the Swedish eHealth Agency obtaining information from the Public Health Agency regarding your child's vaccination. You can submit your order at any time beginning seven (7) days after your child has been vaccinated. It can take 5–10 days from the day you send us your order for your child to obtain a vaccination certificate.

1. Fill in the name and personal ID number of the child, as well as your personal ID and telephone number and sign the document. The Swedish eHealth Agency needs your telephone number to get in touch with you.
2. Send the completed form to the Swedish eHealth Agency at the following address
The Swedish eHealth Agency
Box 913
319 29 Kalmar
3. The Swedish eHealth Agency prints your child's vaccination certificate and sends it to your registered address. The Swedish eHealth Agency cannot send the certificate anywhere other than to your registered address.

Given name(s) and surname of your child

Personal ID number of your child (12 digits)

Your personal ID number (12 digits)

Your telephone number

Is it all right for the Swedish eHealth Agency to obtain information about your child's vaccination?

I request that the Public Health Agency release information regarding my child's vaccinations against COVID-19 from the National Vaccination Register to the Swedish eHealth Agency. This means that I consent to the Public Health Agency releasing the information needed to enable the Swedish eHealth Agency to issue a COVID certificate. I confirm this by my signature below

Processing of personal data for vaccination certificates

The purpose of this material is to provide information in accordance with the EU Data Protection Regulation (GDPR) on how the Swedish eHealth Agency, as a personal data controller, processes your personal data when you apply for vaccination certificates and explain the rights you have.

The vaccination certificate is meant to facilitate travel within Europe during the Corona pandemic. This certificate is designed in the same way all over the EU, Norway, Iceland, Switzerland and Liechtenstein. The vaccine certificate is issued by the Swedish eHealth Agency.

A vaccination certificate enables you to prove that you have received a vaccination against COVID-19.

As a parent, you can obtain a vaccination certificate for your child. Your child can obtain a vaccination certificate on his or her own after turning 16.

How you we process your personal data?

When you send a form to the Swedish eHealth Agency with a request to obtain a vaccination certificate, the form and the certificate created are saved. This is done in accordance with the provisions regarding the handling of public documents in Chapter 2 of the Freedom of the Press Act (1949:105) and the Archives Act (1990:782). The information you have submitted on the form, will serve as the basis for the issuance of your child's vaccination certificate. We also use your personal data, as well as your child's in order to produce statistics vaccination certificates ordered. For these statistical purposes, however, the data are processed only in aggregated form or in a form that cannot be used to identify you or your child. We save your personal data, as well as your child's, for as long as we need them in order to fulfil its purpose, or as long as this is required by law.

Our legal basis for processing this personal data is that such processing is necessary in order to perform a function that is of public interest. Support for the personal data processing can be found in the Regulation of the European Parliament and the Council (EU) 2021/953, as well as in the supplementary Swedish Ordinance (2021:708) regarding the digital COVID certificate.

Employees who need to process the data in order to perform their work-related tasks, can access your personal information

What are your rights?

You are entitled to obtain, free of charge, access to the personal data that the Swedish eHealth Agency is processing about you and your child. You are also entitled to obtain a copy of that information.

At your request, or on our own initiative, we will correct or remove information that is incorrect or limit the processing of this information. You are entitled to object to the processing of this information. In certain cases, you are also entitled

to obtain this personal information in a machine-readable format or, if is technically possible, have the information transferred to a third party you designate.

If you are not satisfied with our processing, you are entitled to complain the Swedish Authority for Privacy Protection (<https://www.imy.se/>), which is the supervisory agency for the processing of personal data in Sweden.

You can also contact the supervisory agency in the country where you reside or work. You are entitled to damages if your personal information is processed in an unlawful manner.

If you have any questions about the vaccination certificate or how the Swedish eHealth Agency processes your personal data, please contact the Swedish eHealth Agency at telephone number [0771-766 200](tel:0771-766200) (**Office hours:** Monday–Friday (except holidays): 8.00–17.00) or email to covidbevis@ehalsomyndigheten.se.

You can also contact, the Swedish eHealth Agency's data protection officer by sending an e-mail to dataskyddsbud@ehalsomyndigheten.se or by mailing your questions to:

The Swedish eHealth Agency
Data protection officer
Box 913
391 29 Kalmar

Information about secrecy

In addition to providing about how the Swedish eHealth Agency processes your personal information, that agency is also responsible for informing you about how your information will be processed by secrecy applies. This is done pursuant to the Swedish Ordinance on regarding Digital COVID Certificates (2021:708). This Ordinance supplements Regulation of the European Parliament and the Council (EU) 2021/953.

The Swedish eHealth Agency obtains information regarding your vaccination from the National Vaccination Register maintained by the Public Health Agency. This is done so that the Swedish eHealth Agency can issue you a vaccination certificate.

The information contained in the National Vaccination Register is subject to secrecy according to Chapter 24, Section 8 of the Public Access to Information and Secrecy Act (2009:400). The level of secrecy is very high. When you request and give your consent to obtaining a vaccination certificate, you are violating the secrecy of the information. This enables the Swedish eHealth Agency to obtain information regarding your vaccination and to issue a vaccination certificate to you. When this information is processed by the Swedish eHealth Agency, it is subject to secrecy pursuant to Chapter 25, Section 17a of the Public Access to Information and Secrecy Act.
