

Ordering a vaccination certificate

Follow these steps to complete your order. By signing, you are giving your consent to the Swedish eHealth Agency to obtain information about your vaccinations from the Public Health Agency of Sweden. Remember that it can take 5–10 days after you have received your vaccination before you obtain the vaccination certificate. The reason for this is that the care provider must be allowed time to report your vaccination to the Public Health Agency of Sweden and additional time for mailing and delivery.

1. Fill in your name, personal ID, and telephone number, and sign your name. The Swedish eHealth Agency will use your telephone number to contact you, if needed.
2. Submit the completed form to the Swedish eHealth Agency at the address below:
The Swedish eHealth Agency
Box 913
391 29 Kalmar
3. The Swedish eHealth Agency will print your vaccination certificate and send it to you at your registered address (Sw: folkbokföringsadress). The Swedish eHealth Agency will not send the certificate to any address other than your registered address.

Forename(s) and surname(s)

Personal ID number (12 digits)

Telephone number (including city code)

Do you consent to having the Swedish eHealth Agency obtain information about your vaccination?

I am requesting that the Public Health Agency of Sweden releases information from the national vaccination register to the Swedish eHealth Agency about my vaccinations against Covid-19. This means that I consent to having the Public Health Agency of Sweden release the information needed to enable the Swedish eHealth Agency to issue a covid vaccination certificate. I am confirming this by affixing my signature below.

Your signature

Your name in printed letters

Processing of personal data for the vaccination certificate

The purpose of the following is to provide information pursuant to the EU General Data Protection Regulation (GDPR) with regard to how the Swedish eHealth Agency, in its capacity of personal data controller, processes your personal data when you apply for a vaccination certificate and the rights you have.

The purpose of the vaccination certificate is to make it easier to travel withing Europe during the Corona pandemic. The certificate is designed in the uniform manner throughout the EU, Norway, Iceland, Switzerland, and Liechtenstein. The vaccination certificate is issued by the Swedish eHealth Agency. You can use the vaccination certificate to prove that you have been vaccinated against covid-19.

Parents and guardians can obtain vaccination certificates for their children. Children can obtain their own vaccination certificate beginning on their 16th birthday.

How do we process your personal data?

When you submit a form to the Swedish eHealth Agency with a request for a vaccination certificate, the form and the resulting vaccination certificate will be saved. This is done pursuant to the provisions regarding the processing of public documents contained in Chapter 2 of the Freedom of the Press Act (1949:105) and the Archives Act (1990:782). The information to submit on the form serves as the basis for the issuance of your vaccination certificate. We also use your personal data to prepare statistics regarding vaccination certificates ordered. For statistical purposes, the information, however, is used only in an aggregated form or in a form that cannot be used to identify you as a given individual. We save your personal data as long as we need them to fulfil the purpose in question, or as long as the law requires.

The legal grounds for the processing of personal data are that the processing is necessary in order to perform a function in the public interest. This processing of personal data is supported by provisions of the Regulation (EU) of the European Parliament and of the Council 2021/953, and by the supplemental Swedish Ordinance regarding a Digital Covid certificate (2021:708).

Employees who need to process this information in order to perform their work-related tasks may access your personal data.

What are your rights?

You are entitled to obtain, free of charge, information about, and access to, the personal data about you processed by the Swedish eHealth Agency. You are also entitled to receive a copy of that information.

We will correct or remove data that is incorrect or wrong or limit the processing of

such data at your request or on our own initiative. You are entitled to object of the processing of your data. In certain cases, you also have the right to obtain your personal data in a machine-readable format, or have the data transformed to a third party you designate, provided this is technically possible.

If you are not satisfied with our processing, you are entitled to complain to the Swedish Authority for Privacy Protection (IMY), the supervisory authority for the processing of personal data in Sweden, at <https://www.imy.se/>.

You can also contact the supervisory authority of the country in which you are residing or working. You are also entitled to damages if your personal data is processed in an illegal manner.

If you have any questions about the vaccination certificate, or how your personal data is processed, please contact the Swedish eHealth Agency at telephone number [0771-766 200](tel:0771-766200) (**opening hours:** Monday–Friday: 8:00–17:00, closed on holidays) or by e-mail at covidbevis@ehalsomyndigheten.se.

You can also contact the Data Protection Officer at the Swedish eHealth Agency by e-mail at dataskyddsbud@ehalsomyndigheten.se or by submitting your questions by mail to:

The Swedish eHealth Agency, dataskyddsbud
Box 913
391 29 Kalmar

Information regarding secrecy

In addition to information regarding how the Swedish eHealth Agency processes your personal data, the same agency is also required to inform you about how your information is processed when classified as secret. This is done pursuant to the Swedish Ordinance regarding digital covid certificates (2021:708). This ordinance supplements Regulation (EU) of the European Parliament and of the Council 2021/953.

The Swedish eHealth Agency obtains information about your vaccinations from the national vaccination registry of the Public Health Agency of Sweden. This is done in order to issue a vaccination certificate to you.

The data in the national vaccination register are subject to secrecy pursuant to Chapter 24, Section 8 of the Public Access to Information and Secrecy Act (2009:400). The level of secrecy here is very high. When you request and consent to obtaining a vaccination certificate, you are exempting these data from this secrecy. As a result, the Swedish eHealth Agency can obtain these data regarding your vaccination and issue you a vaccination certificate. When the data is processed by the Swedish eHealth Agency, they are covered by secrecy pursuant to Chapter 25, Section 17 of the Public Access to Information and Secrecy Act.
