

Ordering a vaccination certificate – for persons under 18 years of age

This form should only be used if you do not have e-identification. If you have e-identification, you can download your child's COVID certificate directly at www.covidbevis.se

By signing this form, you, as the guardian, consent to the Swedish eHealth Agency obtaining information about your child's vaccination from the Public Health Agency of Sweden. You can request the certificate no earlier than seven (7) days after your child was vaccinated.

1. Enter your child's name, identity number (personal identity number, coordination number or immunity number) and telephone number, and then sign the form. Note that a reserve number (temporary medical number) cannot be used. The Swedish eHealth Agency will use your telephone number to contact you, if needed.
2. Send the completed form to
Covidbevis
Swedish eHealth Agency
Box 913
391 29 Kalmar
3. The Swedish eHealth Agency will print your child's vaccination certificate and send it to your registered address.

Do you consent to having the Swedish eHealth Agency obtain information about your child's vaccination?

I hereby request that the Public Health Agency of Sweden release information about my child's vaccinations against COVID-19 from the national vaccination register to the Swedish eHealth Agency. This means that I consent to the Public Health Agency of Sweden releasing the information needed to enable the Swedish eHealth Agency to issue a COVID certificate. I confirm this through my signature below.

Processing of personal data for vaccination certificate

The Swedish eHealth Agency is data controller and processes your or your child's personal data in accordance with applicable EU and Swedish law on vaccination certificates. The purpose of the data processing is to provide you with your child's vaccination certificate and to keep statistics. We collect your child's vaccination data from the National Vaccination Register, held by the Swedish Public Health Agency, upon the request and consent from you as a parent or guardian.

You have the right to information on and access to the personal data that we process about you and your child. In some cases, you have the right to object to the processing or to request us to correct or delete the data or to restrict the processing of it. You may, in certain cases, also have the right to receive the data in a machine-readable format or to have it transferred to someone else. If you are not satisfied with our data processing, you may file a complaint to the Swedish Authority for Privacy Protection (www.imy.se) or to a supervisory authority in another country and you may be entitled to damages.

For more information on the processing of your and your child's data, the rules and confidentiality that apply and your rights, please visit

www.ehalsomyndigheten.se/tjanster/covid-certificat/data-protection-policy/.

You may also request the information to be sent to you by post.

You can also contact the Swedish eHealth Agency's data protection officer by e-mailing dataskyddsbud@ehalsomyndigheten.se or send your questions by post to:
