

Ordering a vaccination certificate

– if you do not have a registered address in Sweden

By signing this form, you consent to the Swedish eHealth Agency obtaining information about your vaccination from the Public Health Agency of Sweden. You can request the certificate no earlier than seven (7) days after being vaccinated.

NB! Use this form only if you do not have a registered address in Sweden.

If you have a registered address, we will send the certificate to that address.

1. Complete and sign the form. In the identity number field, enter your personal identity number, coordination number or immunity number – a reserve number (temporary medical number) cannot be used.
2. Send the completed form to
Covidbevis
Swedish eHealth Agency
Box 913
391 29 Kalmar
3. We will send your vaccination certificate by registered mail to a service point. You will get a notification from PostNord when you can pick up your letter.

Consent (mandatory)

Do you consent to having the Swedish eHealth Agency obtain information about your vaccination?

I hereby request that the Public Health Agency of Sweden release information about my vaccinations against COVID-19 from the national vaccination register to the Swedish eHealth Agency. This means that I consent to the Public Health Agency of Sweden releasing the information needed to enable the Swedish eHealth Agency to issue a COVID certificate. I confirm this through my signature below.

Processing of personal data for vaccination certificate

The Swedish eHealth Agency is data controller and processes your personal data in accordance with applicable EU and Swedish law on vaccination certificates. The purpose of the data processing is to provide you with your vaccination certificate and to keep statistics. We collect your vaccination data from the National Vaccination Register, held by the Swedish Public Health Agency, upon your request and consent.

You have the right to information on and access to the personal data that we process about you. In some cases, you have the right to object to the processing or to request us to correct or delete the data or to restrict the processing of it. You may, in certain cases, also have the right to receive the data in a machine-readable format or to have it transferred to someone else. If you are not satisfied with our data processing, you may file a complaint to the Swedish Authority for Privacy Protection (www.imy.se) or to a supervisory authority in another country and you may be entitled to damages.

For more information on the processing of your data, the rules and confidentiality that apply and your rights, please visit

www.ehalsomyndigheten.se/tjanster/covid-certificat/data-protection-policy/.

You may also request the information to be sent to you by post.

You can also contact the Swedish eHealth Agency's data protection officer by e-mailing dataskyddsbud@ehalsomyndigheten.se or send your questions by post to:
